

### **Daily Prayer to the Holy Spirit**

*from  
'Freedom: Battle strategies  
for conquering temptation' by Everett Fritz*

Come Holy Spirit.  
Come into my heart.  
Rush upon me with Your power and grace.  
Reveal and heal my wounds.  
Mend what is broken,  
comfort what is hurting,  
and speak truth into my heart  
where I have accepted lies.  
Empower me with the gifts of the Spirit  
that I may become that man (woman)  
that You have called me to be.  
Only say the word  
and my soul will be healed.  
Amen.

Jesus, please help me to identify and name  
the wound that is in my heart.  
Pour forth your grace on me  
and lead me to healing. Amen.
